

iland Secure Cloud Backup for Office 365 with Veeam

More and more customers today continue to leverage the power of Microsoft's Office 365 platform for everything from email to document collaboration and more. But when it comes to protecting your data, there are limited options included on how you can restore your data.

iland Secure Cloud BackupSM for Office 365 with Veeam provides direct integration with your Office365 environment to enhance your backup options. It helps eliminate the risk of losing access and control over your data including Exchange Online, SharePoint Online and OneDrive for Business, giving you flexible options and capabilities in how you want and need to restore your data when you need it most.

With Microsoft Office 365, the protection is a shared responsibility

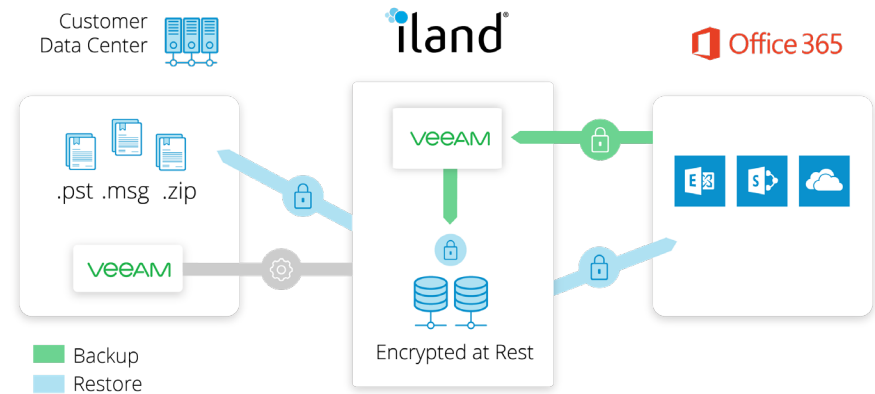

- › Microsoft supports the application and infrastructure uptime
- › The data control and protection is your responsibility

Bring peace of mind to your organization by taking control of your data

- › Protect data from deletion and data loss
- › Alleviate confusion or gaps in retention policy parameters
- › Safe guard against malicious insiders / departing employees
- › Shelter against external threats (hacking / rogue apps) and outages
- › Address legal and compliance requirements not covered by Microsoft

A simple, flexible cloud solution to securely and efficiently back up Office 365 data including Exchange Online, SharePoint Online and OneDrive for Business

- › Automated daily Office 365 data backups
- › Complete data preservation with unlimited storage quota
- › Quickly restore your mailbox items directly to your Office 365 mailbox: export them to a PST file, email them as an attachment, or save them locally
- › Predictable protection costs based on mailbox users
- › Encryption in-flight using Transport Layer Security (TLS)

Simple, Cost-Effective, All-Inclusive Pricing:

- › Prices are per licensed user
- › No Bandwidth fees, setup fees or storage fees
- › No retention policy limitations
- › Month-to-month as well as 1, 2, and 3 year contracts available
